FIRST CHINESE BAPTIST CHURCH of SAN FRANCISCO

WHO WE ARE

"First Chinese Baptist Church, San Francisco is a multigenerational bilingual bicultural church. Through the power of the Holy Spirit, we are called to be a person so transformed by God's gracious love in Jesus Christ that we joyfully commit ourselves in worship, witness, discipleship, and ministry."

WHAT IS THE GOSPEL

We believe that the gospel is the good news of Jesus Christ—God's very wisdom. This good news is Christological, centering on the cross and resurrection. Consequently, the gospel is not proclaimed if Christ is not proclaimed, and the authentic Christ has not been proclaimed if His death and resurrection are not central. This good news is biblical (his death and resurrection are according to the Scriptures), theological and salvific (Christ died for our sins to reconcile us to God), historical (if the saving events did not happen our faith is worthless, we are still in our sins, and are to be pitied more than all others), apostolic (the message was entrusted to and transmitted by the apostles who were witnesses of these saving events), and personal (where it is received, believed, and held firmly, individual persons are saved).
